Bylaws & Policies

Council granted first reading the *Municipal Planning Commission Bylaw 2025-02* and referred it to the Policy and Governance Committee for review and recommendation. This bylaw incorporates the elements of a series of bylaws into one bylaw for simplicity and ease of understanding.

Council referred the *Council Professional Development and Remuneration Policy* to the Financial Planning Committee for financial review and recommendation back to Council. During an election year, the policy is reviewed to ensure that it is current prior to the election of new Council members.
